

## PRESS RELEASE

Ehringshausen, October 10, 2017

### Many new young faces at HEDRICH

Yet again, HEDRICH is welcoming to their team many new faces that have joined the group during the period of 01.08 – 01.10.2017. Whether as trainees, interns or employees in permanent position, the HEDRICH staff grows at all levels.

Three young people are to start their education as industrial clerks and technical product designer. Another three job novices are going to support the Marketing, IT and Electrical Design department as interns. A student for machine engineering in dual curriculum is also to work in our Katzenfurt main factory during his practical phases.

Other new employees with permanent positions (not shown on the picture) are to begin in the departments Warehouse, IT, Sales, Digital Solutions, Assistant to Sales as well as at the management level of research and development in the company.
